### ■ Data use:

The objective of PREVIEW is to provide global information on hazards, vulnerabilities, exposure and disaster risks in support of the implementation of the Hyogo Framework of Action. PREVIEW contains the global risk information produced for the 2009 and 2011 Global Assessment Reports on Disaster Risk Reduction of the United Nations Strategy for Disaster Reduction (UNISDR). This information has been produced by UNEP-GRID, NGI and (list all partners and contributors) and is distributed with their consent.

All datasets on PREVIEW can be available for free for non commercial purpose (governments, international organisations, universities, non-governmental organisations, civil society according to the terms of the following disclaimer.

The development, maintenance and distribution of this information is costly. **As such, and in order to ensure it's sustainability and further development, users are invited to make an appropriate voluntary contribution to the UNISDR Trust Fund. All such contributions will be reinvested in the research and development of new and enhanced risk information and in the maintenance of the data platform and will be credited in the Annual Report of UNISDR.**

### ■ Terms and Conditions of Use of United Nations Web Sites:

The use of this web site constitutes agreement with the following terms and conditions:

(a) The United Nations grants permission to Users to visit the Site and to download and copy the information, documents and materials (collectively, "Materials") from the Site, subject to the terms and conditions outlined below, and also subject to more specific restrictions that may apply to specific Material within this Site. Users are prohibited from directly using the Materials (i.e., selling the Materials) for commercial purposes.

(b) The United Nations administers this Site. All Materials on this Site appears subject to the present Terms and Conditions.

(c) Unless expressly stated otherwise, the findings, interpretations and conclusions expressed in the Materials on this Site do not necessarily represent the views of the United Nations or its Member States.

### ■ Disclaimers:

Materials provided on this Site are provided "as is", without warranty of any kind, either express or implied, including, without limitation, warranties of merchantability, fitness for a particular purpose and non-infringement. The United Nations specifically does not make any warranties or representations as to the accuracy or completeness of any such Materials. The United Nations periodically adds, changes, improves or updates the Materials on this Site without notice. Under no circumstances shall the United Nations be liable for any loss, damage, liability or expense incurred or suffered that is claimed to have resulted from the use of this Site, including, without limitation, any fault, error, omission, interruption or delay with respect thereto. The use of this Site is at the User's sole risk. Under no circumstances, including but not limited to negligence, shall the United Nations or its affiliates be liable for any direct, indirect, incidental, special or consequential damages, even if the United Nations has been advised of the possibility of such damages.

The User specifically acknowledges and agrees that the United Nations is not liable for any conduct of any User.

This site may contain advice, opinions and statements of various information providers. The United Nations does not represent or endorse the accuracy or reliability of any advice, opinion, statement or other information provided by any information provider, any User of this Site or any other person or entity. Reliance upon any such advice, opinion, statement, or other information shall also be at the User's own risk. Neither the United Nations nor its affiliates, nor any of their respective agents, employees, information providers or content providers, shall be liable to any User or anyone else for any inaccuracy, error, omission, interruption, deletion, defect, alteration of or use of any content herein, or for its timeliness or completeness, nor shall they be liable for any failure of performance, computer virus or communication line failure, regardless of cause, or for any damages resulting therefrom.

As a condition of use of this Site, the User agrees to indemnify the United Nations and its affiliates from and against any and all actions, claims, losses, damages, liabilities and expenses (including reasonable attorneys' fees) arising out of the User's use of this Site, including, without limitation, any claims alleging facts that if true would constitute a breach by the User of these Terms and Conditions. If the User is dissatisfied with any Material on this Site or with any of its Terms and Conditions of Use, the User's sole and exclusive remedy is to discontinue using the Site.

This Site may contain links and references to third-party web sites. The linked sites are not under the control of the United Nations, and the United Nations is not responsible for the content of any linked site or any link contained in a linked site. The United Nations provides these links only as a convenience, and the inclusion of a link or reference does not imply the endorsement of the linked site by the United Nations.

If this Site contains bulletin boards, chat rooms, access to mailing lists or other message or communication facilities (collectively, "Forums"), the User agrees to use the Forums only to send and receive messages and materials that are proper and related to the particular Forum. By way of example and not as a limitation, the User agrees that when using a Forum, he or she shall not do any of the following:

- (a) Defame, abuse, harass, stalk, threaten or otherwise violate the legal rights (such as rights of privacy and publicity) of others;
- (b) Publish, post, distribute or disseminate any defamatory, infringing, obscene, indecent or unlawful material or information;
- (c) Upload or attach files that contain software or other material protected by intellectual property laws (or by rights of privacy and publicity) unless the User owns or controls the rights thereto or has received all consents therefore as may be required by law;
- (d) Upload or attach files that contain viruses, corrupted files or any other similar software or programs that may damage the operation of another's computer;

- (e) Delete any author attributions, legal notices or proprietary designations or labels in any file that is uploaded;
- (f) Falsify the origin or source of software or other material contained in a file that is uploaded;
- (g) Advertise or offer to sell any goods or services, or conduct or forward surveys, contests or chain letters, or download any file posted by another user of a Forum that the User knows, or reasonably should know, cannot be legally distributed in such manner.

The User acknowledges that all Forums and discussion groups are public and not private communications. Further, the User acknowledges that chats, postings, conferences, e-mails and other communications by other Users are not endorsed by the United Nations, and that such communications shall not be considered to have been reviewed, screened or approved by the United Nations. The United Nations reserves the right to remove, for any reason and without notice, any content of the Forums received from Users, including, without limitation, e-mail and bulletin board postings.

The boundaries and names shown and the designations used on the maps on this site do not imply official endorsement or acceptance by the United Nations.
